

## **CERTIFICATION RENEWAL FORM**

Greetings Peak Pilates® instructor! It is time to renew your certification. You may either progress into the next level of training in the near future or you will need to submit the 14 required Continuing Education Credits (CECs) to maintain your status as a certified Peak Pilates graduate.

Our Chair and Barrel Workshops, MV®e Instructor Trainings, Evolve Program and mind-body/fitness conferences are great options for continuing education. Visit our website at <a href="www.peakpilates.com">www.peakpilates.com</a> to review all of our scheduled trainings. Please use the below form to petition CEC approval for non-Peak workshops and Evolve lessons (there is a fee of \$9.95 for each workshop/lesson petitioned). A total of 1 CEC can be awarded for CPR/AED (0.5 CEC) and First Aid (0.5 CEC) if the courses were completed during your renewal period. The renewal fee is \$69.95. Finally, if you wish to replace a certificate, you may do so here and the replacement fee is \$25.00.
